It was armed with four light machine guns, one heavy machine gun, submachine guns and rifles and was equipped with two trained dogs, one sedan and one motorcycle. All of the person el of the company, except two Slovaks, came from Bohemia. A ditch, 130 cm deep, and a barbed wire fence, 2 meters high, surrounded the quarters. An observation tower between the low barracks buildings was occupied in daytime. The sector of the company along the border had a threefold barbed wire fence, 2 meters high, with a trip wire in front of it. The company in Sv. Kriz was bounded on the north by a company of another PS battalion in Cheb which was quartered in the former Sv. Anna monastery. *** Comment. The report confirms the 1st PS Brig in Cheb. The battalion in Cheb is the 4th Bn of the brigade and is located in the former revenue office. The
